**Serving Missionaries & Churches**  
 in the **FAR NORTH**

**Spring 2023**

Dear Prayer Partners,

It's hard to believe that we are already in the Spring season of 2023! Since our last letter, the Lord has allowed us to be in churches in: Tennessee, Texas, Illinois, Kentucky, and Florida. We are thankful for the good increases these churches made in their missions giving during our meetings! We are also thankful for those who have expressed interest in Far North Missions — especially those who have stated they are surrendered to go and are seeking the Lord's leading. The need for more laborers in the Far North is great! Please pray with us that the Lord of the harvest will send forth laborers!

Preparing for PNG Bible Project Video

In the first quarter of 2023, the Lord has allowed me to work on producing videos to promote world evangelism in places including: Papua New Guinea, The Far East (Asia / North Pacific), Africa, and others. There is also a new CAMP BIMI video in the works. Please pray that the Lord will use these projects for the furtherance of the Gospel!

Presenting the Far North — ACWE

In March we were able to be a part of the annual Action Conference for World Evangelism (ACWE). This conference is held at the World Missions Center of BIMI. It was a blessing to serve as a family during this time. Paula and Ellie helped to serve hundreds of meals during the conference, and Janique split her time with helping in the kitchen and assisting me with media. During the conference each Field Director is given the opportunity to present the ministry and needs of their fields. Please join us in praying that this opportunity will result in laborers for the Far North and regions beyond.

A highlight of the past few months was that we recently had the privilege to help BIMI Far North missionaries Gage and Aleah Gilbert pack their belonging and see them off at the airport as they left for their first term in Greenland. Their first Sunday in Greenland was on Easter — what a joy to see the Lord get this young couple to the field. Please pray for them as they transition to ministry in this needy country.

With Gage & Aleah Gilbert and Dr. Sisk — just before the Gilbert's departure for Greenland

Our schedule is packed with more meetings, videos, as well as events at the World Missions center over the next several months. Some of the highlights will be Candidate School, CAMP BIMI, Enrichment Week, and especially the 2023 BIMI Far North Field Conference. Field Conference is a time for missionaries serving in the Far North to come together for refreshment and to be reenergized for ministry moving forward. This year's conference will be held in Ottawa, Canada during the 2<sup>nd</sup> week of June. Please pray with us that the Lord blesses each of these events and meetings.

Finally, thank you for your faithful prayers and support. We trust the Lord will continue to bless you and that fruit will abound to your account.

For His Glory
