

# In All Things Give Thanks

Dear Pastor and Praying Friends,

30 November 2023

We trust that you had a wonderful Thanksgiving holiday. We have been blessed beyond measure by the things that the Lord has done for us this past month.

We sing the verse “Little is much when God is in it...” and that has rung true for us this past few months. We faithfully have small groups of faithful soul winners going out weekly to see people saved or at the very least receiving Gospel tracts. We have groups that go out on Saturday mornings and groups that go out on Sunday afternoons, between services. Through soul-winning/outreach efforts, we have seen one person saved in October and have seen nine people come to Christ this month! Weekly we have a small handful of visitors coming to see what we are all about. We thank the Lord for His faithfulness, though we don't have many in numbers, God has given us faithful people who are dedicated to Him and finding His will in their lives. We are thankful for them!

Please continue to pray for us as we continue in our building project. We are grateful to every church that has generously given to help us get our building up and going on our rented property. Please continue to pray that the Lord would provide the funds and the space for us to be able to purchase a plot of land in our area of Busaabala. Land prices are constantly increasing and we are trying to be diligent to seek the Lord's will in this area. Our neighbors next to us have given us quotations to possibly purchase their plot. It is still quite expensive, but we are praying for the Lord's leading in this matter.

We have been thankful to be a part of what God is doing at East Africa Baptist College this past term. At the beginning of November, we were able to attend the graduation and see two of our students honored for completing this year of schooling. We are praying that they will continue to follow the Lord's leading as they serve Him now and in the future!

Please pray for us in our efforts as we reach this area of Kampala for Christ. We are living **Galatians 6:9** “**And let us not be weary in well doing: for in due season we shall reap, if we faint not.**” We are thankful for what God has done and pray that He will keep guiding us as we continue to do His will.

Until We See Christ,

Seth & Jen Demarest
