Prayer Letter – January & February 2024

Praise the Lord for another year to serve Jesus! As I reflect back on 2023, I am grateful for every blessing: souls saved, churches planted, pastors helped and His abundant grace in our lives!

As most of you know, I am “on the road” most of the year, helping church planters, young pastors and preaching God’s Word. When December rolls around, I have to get caught up on doctor and dentist visits. I’m grateful for a little “downtime” to do just that.

But the Lord’s work goes on, and I rejoice for the opportunities God provides to serve Him, even when I am in Jacksonville. I was blessed to preach in my home church December 31 and then in Milford, Ohio at First Baptist Church. While in Milford I was blessed to be with the pastor, Edward Barclay and former pastors, Dr. Charles Keen and Dr. Bill Duttry.

Our Pastors’ Workshop in November was a great success! Our next one is scheduled for Thursday, February 13. Please pray for God’s blessings as I speak.

In Him,

Charles T. Shoemaker
President
